Out of an abundance of precaution, we at O'Brien's Public House have taken numerous steps over the past two weeks to ensure Guest and Staff safety in response to the COVID-19 public health crisis. Increased efforts related to our daily best-practices regarding safe food production protocols, facility cleaning practices, single-use menu sanitizing and surface sanitizing have been implemented.

The safety of our Guests and Staff at O'Brien's is always our primary concern. We will follow this crisis closely and take all appropriate steps to ensure the safety of our Guests and employees.

Jody and I wish to thank you for your loyalty and appreciate your continued support and patience through this difficult time.
